SUBJECT: Aqua Illinois, Inc. ("Aqua")

Motion for Extension of Time for Filing Petition for Annual Reconciliation of Purchased Water - Oakview Service Area

RECOMMENDATION: Entry of the attached order dismissing the motion as moot.

Pursuant to approvals granted in Docket No. 03-0556, Aqua acquired, from Oakview Avenue Water Works, Inc., the problem-ridden Oakview water system located in an area near the City of Joliet in Will County. Aqua has provided water service to the Oakview service area, which contains approximately 100 customers, since that time.

Because of well contamination in the Oakview system, Aqua has obtained water supply for the Oakview area from the City of Joliet. Oakview area customers are charged for purchased water under a purchased water surcharge implemented pursuant to Section 9-220.2 of the Public Utilities Act, and 83 Ill. Adm. Code 655.

In the instant docket, Aqua sought an extension of time to file its annual reconciliation of purchased water costs and revenues. Shortly thereafter, Aqua made simultaneous reconciliation filings in Dockets 07-0263 and 07-0264. An order in those dockets was entered March 26, 2008.

Accordingly, the attached order would dismiss the instant proceeding in 07-0197 as moot.
